

# Watertown Public Library is going to referendum

## Why Vote Yes on November 8th?

### A Renovated and Expanded Library is...

#### An important investment in children, families, and our community!

- Creates space filled with opportunities for children to read, explore and learn together.
- Focuses on spaces devoted to early literacy readiness and collections.
- Demonstrates a community commitment to education, literacy, and life-long learning.
- Provides spacious interactive rooms for children's programs, crafts, and performances.
- Includes dynamic and welcoming space for teens and technology.
- Focuses on 21st century technologies and ideas.

#### A community space for everyone!

- Renovates our historical 110 yr. old Carnegie Building.
- Improves handicapped accessibility and improved parking.
- Creates sufficient space for services, collections, and programs.
- Provides shared meeting rooms, quiet study rooms, and collaborative spaces for all ages.
- Offers a community room with seating for 150 people. (Current room capacity is 37 people)
- Provides dedicated space for genealogy research and showcase local artistic talent.

#### A crucial anchor for our downtown and downtown redevelopment!

- Establishes a vibrant and welcoming beacon...our city's gateway.
- Anchors our historic downtown and central business district.
- Shows a serious commitment to our current citizens and builds a legacy for the future.
- Maintains our central location for easy access for pedestrians, cyclists, and motorists.
- Impacts downtown business district with 550+ patron visits per day.
- Creates Civic Pride! Stop blight and invest in our historic Main Street.
