**Many thanks** for the great job done by all who volunteered to work at the Parish Picnic. It's a great way to have fun working together and meet and welcome new people. Some of our volunteers have been helping at our picnic for many years. We appreciate your continued service to our parish, and we look forward to seeing many new faces joining those who help make this event happen.

**Thanks also** to the businesses and sponsors who supplied advertising, products, and services for our picnic. We greatly appreciate your support.
